Re: Child Care During Provincial Lockdown

To all our families.

Amidst the recent news regarding the impending, provincial lockdown due to COVID-19; our services shall be affected in the following manner:

1. Our full day childcare programs will remain open and operating throughout the lockdown.
2. For the week of January 4-8, 2021, elementary school closures shall be in effect Ontario wide. Families whose children would normally receive before and after school care, shall not have fees withdrawn on January 1, 2021, until further notice.
3. Commencing January 4, 2021, children in Kindergarten to grade 6, whose parents are deemed essential workers may be approved to receive targeted emergency child care at no cost. Please continue to visit our website to learn more about this opportunity.

As always, we thank you for your cooperation as we all see through, the second phase of Covid-19.

Yours very truly,

Shirley Black

Executive Director,
York Professional Care and Education.
